

Friends of Baby Loss NZ Volunteer Position Description

Position Description for: Angel Cast Finisher

Responsible to: Baby Loss NZ Manager

Description of Position:

This position is critical in the completion of Baby Loss NZ's Angel Casts, the final preparation and finishing prior to being gifted to the angel baby's family. Attention to detail, patience and gentleness for the handling of the casts is paramount.

Volunteer's Responsibilities:

- Clean and repair casts
- Sand casts
- Paint casts
- Mount on display granite

Outcomes/Goals:

Prior to final delivery of the angel cast back to the angel baby's family, each will be checked for accuracy. Each cast will be delivered with a name card continuing the names of the friends of Baby Loss NZ volunteers who helped create the tangible memory for the family.

Training and Support Plan:

Each Angel Cast Finisher will receive training prior to commencing the role and additional ongoing training into techniques. Ongoing support will be available from peers and the Baby Loss NZ Manager.

Reporting:

Keep log of casts and times of completion. Compile monthly report to submit to committee

Time Commitment:

Angel Cast Finishers will be required to be flexible with their time, due to the nature of the unpredictability of the number of Angel Babies Baby Loss NZ may meet per week/month. Baby Loss NZ's commitment to all families of Angel Babies is that their baby's cast will be gifted within 4 weeks of meeting the Angel Baby.
